

### HEAVY DUTY HANDWHEELS

ERL's Heavy Duty Handwheels feature a stainless steel hub and spokes surrounded by a solid 1" diameter rolled 300 Series Stainless Steel ring. ERL's standard hub has a 1" square broached hole that is a full 1-1/2" thick for extra strength.

#### Standard Sizes

ERL Part No.#	Diameter
HW-1-12	12" Diameter
HW-1-14	14" Diameter
HW-1 - 16	16" Diameter
HW-1 - 18	18" Diameter
HW-1 - 20	20" Diameter
